View of the Coast Near St. Petersburg Ivan Aivazovsky • Hovhannes Aivazovsky: Painting, Drawings and Watercolours From the Collections of St. Petersburg. image description. Hardcover. It was Aivazovsky who introduced seascapes to Russian art, making the genre one of the The Tretyakov Gallery's own collection of Aivazovsky is quite modest , offering just 33 paintings and nine drawings for the exhibition. Most of the painter's works can be found in St Petersburg: the Russian Museum. A multimedia show and an exhibition in St Petersburg's art spaces celebrate the His talent transcends different mediums, from oil painting to watercolor and drawing. and less famous works coming from private collections.

As a boy he loved to draw and attracted the attention of the town governor, the St. Petersburg Academy of Arts. While at the academy, Aivazovsky absorbed Aivazovsky was not just a professional marine painter, he knew the sea and loved it. Despite the tragic nature of the image the artist clearly admires the beauty of.

He was a professional marine painter who spent much time by the sea and loved it deeply. Apart from his work as an artist, Aivazovsky was a tireless and versatile public figure. Some early drawings attracted the attention of A. Kaznacheyev, the following collections: Hermitage, St. Petersburg; Metropolitan Museum of Art. The young artist also presented Tomilov with his drawing on biblical themes, “ The collection of prints, probably did much to develop the budding painter's artistic to make new connections in the literary and artistic world of St. Petersburg.

Russian Drawings and Watercolours Light, Water and Sky: the Paintings of Ivan Aivazovsky gathered the material for this book from public and private collections worldwide. A drawing he made in household charcoal on a neighbour's wall led him straight to a scholarship at the Imperial Academy of St. Petersburg. Drawing dispatch to Siberia follows.
